

Yellow Wolf Farm

2012 Organic Vegetable & Fruit CSA

Yellow Wolf Farm has been providing families with fresh, organically grown fruits and vegetables since 2005.

Community Supported Agriculture is a program where families buy into a share of the production of the farm. Shares are purchased up front and in exchange, each family receives a box containing a share of the harvest for either 10 or 20 weeks. Our main growing season is from about mid-May to mid-October.

Spring-peas, kale, lettuce, spinach, broccoli, radishes, mustard, carrots, spring onions, Chinese cabbage, salad turnips, collards, kohlrabi

Summer-tomatoes (several varieties), peppers, corn, eggplant, greens, herbs, flowers, beets, cucumbers, squash, watermelons, cantaloupe, green and lima beans, onions, okra, blueberries

Fall-broccoli, cauliflower, turnips, radishes, carrots, squashes, pumpkins, lettuce, spinach, greens, cabbage, collards

Full Share-\$500.00, 20 weeks, delivered every week

Half Share-\$250.00, 10 weeks, delivered every other week

Please call (336)709-6541 to join or membership forms can be printed from

www.yellowwolffarm.com

CSA shares will be delivered to Winston-Salem and
Clemmons
